

## CAPS

### PURE GEL DIGITAL CAP

A Pure Gel Polymer Tribloc cap, which offers protection against injury to the surface of the toe, especially the nail area. Ideal protection for amputees, nerve ending damage, and ingrown nails, as it is soft and smooth to the touch, alleviating pain immediately. Provided in two sizes; size 1 for the 3rd, 4th and 5th toes, size 2 for the 1st (big) and 2nd toes.

Ref.: GS-0003301 Size 1, 1.5 cm diameter, 6 per bag

Ref.: GS-0003303 Size 2, 2 cm diameter, 6 per bag

### DIGITAL CAP, RIBBED

A gel-lined cap, which offers protection against injury to the surface of the toe, especially the nail area. Ideal protection for amputees, nerve ending damage, and ingrown nails, as it is soft and smooth to the touch, alleviating pain immediately.

**Provided in a ribbed material, in two sizes;** size 1 for the 3rd, 4th and 5th toes, size 2 for the 1st (big) and 2nd toes.

Ref.: GS-0003302 Size 1, 1.5 cm diameter, 6 per bag

Ref.: GS-0003304 Size 2, 2 cm diameter, 6 per bag

### DIGITAL TIP CAP, RIBBED

A gel-lined cap with gel only in the tip.

Ref.: GS-0003306 Size 1, 1.5 cm diameter, 6 per bag

Ref.: GS-0003308 Size 2, 2 cm diameter, 6 per bag

### DIGITAL CAP, MESH

A gel-lined cap, which offers protection against injury to the surface of the toe, especially the nail area. Ideal protection for amputees, nerve ending damage, and ingrown nails, as it is soft and smooth to the touch, alleviating pain immediately.

**Provided in a mesh material, in two sizes;** size 1 for the 3rd, 4th and 5th toes, size 2 for the 1st (big) and 2nd toes.

Ref.: GS-0003312 Size 1, 1.5 cm diameter, 6 per bag

Ref.: GS-0003314 Size 2, 2 cm diameter, 6 per bag

## CAPS

### GELSMART™ DIGITAL CAP, MESH

- Fully coated with soft medical-grade, vitamin-enriched mineral oil gel to soften, soothe and protect fingers and toes
- Superior cushioning, protection and relief for corns, calluses, nails and cuticles, hammer toes and partially amputated digits
- Trimmable, washable and reusable

Available in two sizes

Ref.: GS-1056M	Small/Medium	6/Pack
Ref.: GS-1057M	Large/X-Large	6/Pack

**Fully Coated**

### GELSMART™ ALL-GEL TOE/FINGER CAP

- First engineered toe/finger cap
- All-gel design of soft vitamin-enriched M+Gel to soften, soothe and protect skin
- Superior cushioning, protection and relief for corns, calluses, hammer toes, nails and cuticles
- Thin side walls, thicker at distal end
- Comfort vent for breathability
- Trimmable, washable and reusable

Available in three sizes

Ref.: GS-1075M	Small/Medium	10/Pack
Ref.: GS-1076M	Large/X-Large	10/Pack
Ref.: GS-1077M	XX-Large	10/Pack

## RINGS

### PURE GEL RING

A pure Tribloc Polymer Gel digital cap, which offers protection after injury to the surface of the toe, this product is particularly effective in elevating discomfort after damage to the nail.

Provided in two sizes

Ref.: GS-0004101	Small 1.5cm	6 per bag
Ref.: GS-0004102	Large 2 cm	6 par bag
Ref.: GS-1027M	Small	10 per bag
Ref.: GS-1028M	Medium	10 per bag
Ref.: GS-1029M	Large	10 per bag

### DIGITAL PAD / CORN PAD

Elasticated 2.0 cm digital ring, with 2mm thick internal gel disc. Specifically designed to protect chafing, corns, sores and irritation produced by footwear. Offering immediate relief from pain.

Provided in three sizes

Ref.: GS-0004104	Size S	12 units per bag
Ref.: GS-0004105	Size M	12 units per bag
Ref.: GS-0004106	Size L	12 units per bag

### CORN WRAPS

Gel Polymer corn wraps are made using cutting edge gel technology offering full wrap-around protection for toes or fingers and relief from corns. By reducing virtually all pressure and friction to the skin whilst softening the corn and surrounding areas with mineral oil, Corn Wraps can dramatically aid in the removal of even the toughest corns whilst helping prevent new ones.

Measures: 1.5 cm x 2.5 cm length.

Ref.: GS-0005009P	One size	3 units per pack
-------------------	----------	------------------

## HALLUX PROTECTORS

### HALLUX VALGUS GEL PROTECTOR (FABRIC HOUSING)

Immediate action and low-intensity soothing gel bandage, which provides a constant massage to the fleshy parts and joints. Giving relief and resting the ball of the foot. Each bag contains 2 bandages.

Ref.: GS-0004201 Gel on H/V Joint only Size S (women) 2 per bag

Ref.: GS-0004202 Gel on H/V Joint only Size L (men) 2 per bag

Ref.: GS-0004203 Gel coated throughout Size S (women) 2 per bag

Ref.: GS-0004204 Gel coated throughout Size L (men) 2 per bag

### HALLUX VALGUS PROTECTOR - PURE GEL

Immediate action and low-intensity soothing gel bandage, which constantly massages the fleshy parts of the foot and the joints, giving relief and resting the ball of foot. Including a small depression in gel disc, to prevent friction with the shoes.

Ref.: GS-0004205      One size      2 per bag

### GEL BUNION SLEEVE

A soft and elastic fabric bunion sleeve that provides immediate relief from the discomfort caused by a bunion. The sleeve incorporates a gel pad that is positioned to relieve the pressure and friction caused by an enlarged toe joint but at the same time taking up very little space in the shoe. The product's special design ensures that the gel is held in place on the toe joint providing relief exactly where it is required. Due to the fabric's elastic nature it will fit several foot sizes.

Ref.: GS-0004206B      One size      1 per pack

### SMALL BUNION GET PROTECTOR

An elasticised fabric bunion protector covered on the inside with approximately 2mm thickness of gel. Its small size and special design allows it to fit perfectly into a shoe, helping to give immediate relief by constantly massaging the fleshy parts of the foot and joints. The mineral oil contained in the gel hydrates the skin and helps breakdown calluses.

Ref.: GS-0004207B      One size      1 per pack

## METATARSAL & FOREFOOT

### UNIVERSAL METATARSAL GEL STRAP

A heart-shaped gel pad, protecting and cushioning the metatarsal head area. Thanks to its softness and elasticity the pads will fit any foot perfectly without affecting the blood flow. To fit the left or right foot, you need only to turn it inside out. The stitching between the first and second toes may be cut.

Available in 2 sizes.

Ref.: GS-0004301	Small	Left/Right	1 pair per bag
Ref.: GS-0004302	Large	Left/Right	1 pair per bag

Other slightly different gel straps (Not Left/Right and without the option to cut the stitching between the first and second toe)

Ref.: GS-1229M-RT	Small/Medium	Right	Uncovered	1 per pack
Ref.: GS-1230M-LT	Small/Medium	Left	Uncovered	1 per pack
Ref.: GS-1231M-RT	Large/X-Large	Right	Uncovered	1 per pack
Ref.: GS-1232M-LT	Large/X-Large	Left	Uncovered	1 per pack

Ref.: GS-1225MC-RT	Small/Medium	Right	Covered	1 per pack
Ref.: GS-1226MC-LT	Small/Medium	Left	Covered	1 per pack
Ref.: GS-1227MC-RT	Large/X-Large	Right	Covered	1 per pack
Ref.: GS-1228MC-LT	Large/X-Large	Left	Covered	1 per pack

### MET PROTECTOR

A metatarsal head protector consisting of a 2-2.5 mm thick gel film sandwiched between fabric sheets. The base fabric is both non-stretch and slip resistant to avoid unnecessary movement within the shoe. The top cover is an elasticised and brushed fabric to provide maximum comfort.

Main characteristics: At 3mm in depth the protector is unobtrusive and will attenuate callusing of the foot and foot pain during walking.

Available in 2 sizes.

Ref.: GS-0004401	Size S, 1 pair per bag
Ref.: GS-0004402	Size L, 1 pair per bag

### PURE GEL METATARSAL CUSHION

A metatarsal head protector. Ideal for relieving the burning sensation under the metatarsals caused by standing, walking for long periods and wearing high heeled shoes. Also ideal for people who want extra comfort.

At 2.5 mm in depth the protector is unobtrusive and will attenuate foot pain and callusing of the foot.

Ref.: GS-0004407B	One size	1 pair per bag
-------------------	----------	----------------

## METATARSAL & FOREFOOT

### GEL FOOT COVER

The Gel Foot Cover is made from a 2 mm thin layer of gel covered both sides with elastic fabric. The cover extends under the metatarsals giving over, under and apical toe protection and provides cushioning which constantly massages the fleshy parts of the foot and joints (especially metatarsals) giving superb relief to this area. The mineral oil contained in the gel hydrates the skin and helps breakdown calluses. Can be worn with any type of shoe.

Available in 2 sizes

Ref.: GS-0005801B	Size S	1 pair per pack
Ref.: GS-0005802B	Size L	1 pair per pack

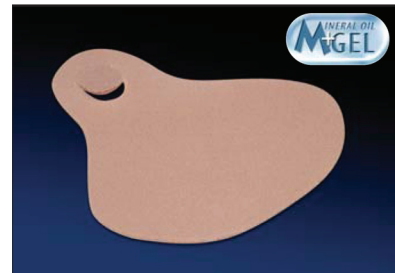

### COMFORT GEL SKIN™ THIN FOREFOOT PAD

Soft gel pad with flexible, thin elastic loop attachable over second or third toe

- Ideal for protection of metatarsal heads from friction and pressure in dress, high-heeled or other tight-fitting footwear
- Helps relieve burning sensation under the metatarsal heads and other pain from calluses, Morton neuromas and atrophy of the fat pad
- Fabric top cover prevents sliding in footwear
- Washable and reusable

Available in 2 sizes

Ref.: GS-1275M	Small/Medium	1 per pack
Ref.: GS-1276M	Large	1 per pack

### FOREFOOT RELIEF PAD

- Cushions the ball of the foot to help prevent aches and pains
- Shock-absorbing pattern which holds the product in place
- Recommended for high heels, sandals or boots
- Durable, to provide all-day cushioning
- Transparent to match any shoe
- Washable and reusable

Ref.: GS-1281T	One size	Uncovered	1 pair per pack
Ref.: GS-1281TC	One size	Covered	1 pair per pack

## METATARSAL & FOREFOOT

### COMFORT GEL SKIN™ BUNION RELIEF - EXTRA PROTECTION

- **5 MM PAD** protects bunions by absorbing shock and shear forces, best used with comfort, athletic or other footwear providing extra depth
- Soft stretch-fabric cover positions gel pad over painful bunions (hallux joint)
- Uncovered version allows mineral oil gel to soften inflated or hardened bunions (hallux joint) through direct contact with skin
- Secures comfortably over the big toe and around the foot to prevent sliding
- Washable and reusable

Available in 2 sizes

Ref.: GS-1309MC	Small/Medium	Covered	1 per pack
Ref.: GS-1310MC	Large/X-Large	Covered	1 per pack
Ref.: GS-1312M	Small/Medium	Uncovered	1 per pack
Ref.: GS-1313M	Large/X-Large	Uncovered	1 per pack

### COMFORT GEL SKIN™ BUNION RELIEF - THIN DRESS

- **3 MM PAD** protects bunions by absorbing shock and shear forces, designed to fit comfortably in dress shoes
- Soft stretch-fabric cover positions gel pad over bunions (hallux joint)
- Uncovered version allows mineral oil gel to soften inflated or hardened bunions (hallux joint) through direct contact with skin
- Secures comfortably over the big toe and around the foot to prevent sliding
- Washable and reusable

Available in 2 sizes

Ref.: GS-1303MC	Small/Medium	Covered	1 per pack
Ref.: GS-1304MC	Large/X-Large	Covered	1 per pack
Ref.: GS-1306M	Small/Medium	Uncovered	1 per pack
Ref.: GS-1307M	Large/X-Large	Uncovered	1 per pack

## TUBES

### DIGISTRIP

An elasticised tube half coated with polymer gel. Excellent for the protection of digits, providing pressure and friction relief from the discomfort caused by corns, calluses etc. Can be cut to required length, fabric will not fray.

Each digistrip is 72 cm length.

Ref.: GS-0004801 Digistrip - Width 15 mm	Size S	1 roll per bag
Ref.: GS-0004802 Digistrip - Width 20 mm	Size M	1 roll per bag
Ref.: GS-0004803 Digistrip - Width 25 mm	Size L	1 roll per bag

### GEL TUBE

An elasticised tubular bandage with fully gel lined interior, which will totally protect the affected area, and can be cut to length as the patient requires. Suitable for both the hand and the foot, reducing digit friction and lubricating the skin, accelerating the healing process of scars and closed wounds. Recommended for the reduction of digit friction, hard skin and pain reduction during walking.

### MESH MATERIAL

Ref.: GS-0005001	1.5 cm x 15 cm	Size S	2 units per bag
Ref.: GS-0005002	2 cm x 15 cm	Size L	2 units per bag

Ref.:

### RIBBED MATERIAL

Ref.: GS-0005003	1.5 cm x 15 cm	Size S	2 units per bag
Ref.: GS-0005004	2 cm x 15 cm	Size M	2 units per bag
Ref.: GS-0005005	2.5 cm x 15 cm	Size L	2 units per bag

### PURE GEL TUBE

8 centimetres of pure gel tube produced entirely of Tribloc Polymer Gel, produced with 90% pure medical grade white mineral oil. This tube totally protects the affected area and can be cut to the length the patient requires. Suitable for both the hand and foot, reducing friction to the digit while lubricating the skin. The gel also accelerates the healing process of scars and closed wounds.

Recommended for the reduction of friction to digits, reducing hard callused skin and helping to alleviate pain while walking.

Available in 2 sizes

Ref.: GS-0005101	1.5 cm x 8 cm	Size S	4 units per bag
Ref.: GS-0005102	2 cm x 8 cm	Size L	4 units per bag

## TUBES

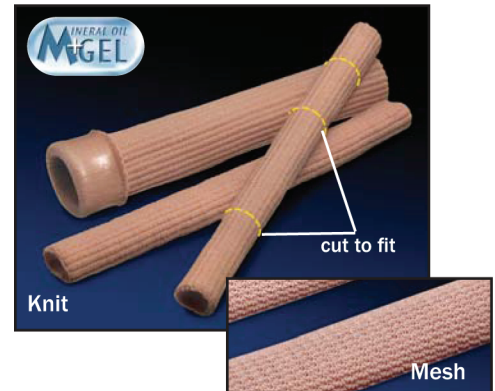

### GELSMART™ FULLY-COATED DIGITAL TUBES

- General toe/finger protection
- Fully lined with vitamin-enriched gel
- Helps relieve pain from corns, calluses, nail problems, dry cuticles, abrasions
- Flexible ribbed or mesh fabrics conform well to digits
- Can be easily cut to fit any size required
- Washable and reusable

Length: 6"

Available in two sizes

Ref.: GS-10865	Mesh	Narrow - 3/4"	3/Pack
Ref.: GS-10875	Mesh	Wide - 1"	3/Pack
Ref.: GS-10885	Knit	Narrow - 3/4"	3/Pack
Ref.: GS-10895	Knit	Wide - 1"	3/Pack

## GEL BODY TUBING

### WIDE MESH TUBING

- Helps reduce friction, abrasion and shear force
- Fully lined with vitamin-enriched gel
- Flexible mesh fabric stretches easily
- Arm or leg protection
- Can be easily cut to fit any size required
- Washable and reusable

Length: 10"

Ref.: GS-1203M	X-Wide (3")	1/Pack
----------------	-------------	--------

## SEPARATORS

### TOE SPREADER

Separates the 1st big and second toes, holding overlapping toes in their correct position. Suitable for post-operative Hallux Valgus (bunion) patients, it protects against chaffing between the toes. Its elasticity and softness allow it to fit all toes without causing discomfort.

Available in 3 sizes

Ref.: GS-0005404 Size S 4 units per bag  
 Ref.: GS-0005405 Size M 4 units per bag  
 Ref.: GS-0005406 Size L 4 units per bag

### GEL SEPARATOR (SHAPE—SHARK FIN)

Half moon (kidney) shaped pure gel toe separators, specially designed to reduce pain caused by friction between the toes. The mineral oil content reduces the risk of calluses forming.

Available in 4 sizes

Ref.: GS-0005501 Size S 6 units per bag  
 Ref.: GS-0005502 Size M 6 units per bag  
 Ref.: GS-0005503 Size L 6 units per bag  
 Ref.: GS-0005504 Size XL 6 units per bag

Ref.: GS-1100M Size S 15 units per bag  
 Ref.: GS-1102M Size L 15 units per bag

## OTHER PURE GEL PRODUCTS

### PURE GEL TOE PROPS

Corrective gel toe prop for clawed or hammered toes. Placing the ring over the toe locates the support in the correct position, reducing movement to a minimum and provides a high level of comfort.

Available in 2 sizes

Ref.: GS-0005601B	Size S	1 pair per pack
Ref.: GS-0005602B	Size L	1 pair per pack

### STRAIGHT TOE PROP

Can be used for either left or right foot.  
One size fits all.

Ref.: GS-0005603B	One size	1 unit per pack
-------------------	----------	-----------------

### PURE GEL DISCS

The gel disc is designed to cushion impact and alleviate localised pain. Its elasticity, softness and the central depression allows it to fit all feet perfectly. The disc dimensions are 1.5 cm dia. x 2mm thick, and are attached by way of an adhesive bandage.

Ref.: GS-0005701	One size	6 per bag
------------------	----------	-----------

## ADHESIVE GEL PATCHES

### CORN PADS

The corn pads are made using polymer gel technology. Offering protection for the painful area, helping to relieve pain immediately. The corn pads stay in place with a hypoallergenic adhesive back. The polymer gel reduces pressure and friction to the skin whilst softening and moisturising the corn and hard skin with mineral oil. Corn pads help in removing corns and preventing new ones.

Ref.: GS-0004901 Oval Size S 15 units per pack  
Ref.: GS-0004902 Oval Size L 6 units per pack

- *Relieves pain immediately*
- *Cushions, comforts and protects*
- *Reduces friction caused by shoe*

### HEEL PAD PROTECTOR

Heel pad protectors produced of Tribloc Polymer Gel technology, offering a complete protection around the painful area. Relieves pain immediately. Protects heel's back zone and Achilles tendon from burns. With hypoallergenic adhesive. The mineral oil contained in the gel hydrates the skin and helps breakdown calluses.

Ref.: GS-0004908 One Size 6 units per bag

- *Superior relief from painful corns*
- *Cushions, comforts and protects*
- *Reduces friction caused by shoe*

## GEL SHEETS

### GEL SHEET

SKINGEL: GEL'S 2nd SKIN sheet. The Skingel is designed to lighten the pressure's pain. Its mineral oil lubricate the skin and help the recuperation of the dermis. Thought to be cut depending in the necessities of each case. Can be placed on the foot directly, but better if it is fixed to the foot with a bandage.

Indicated specially in foot care to reduce pain of callus, hardness, frictions, and in dermatology to reduce the closed scars after a postoperative, and to reduce the after burned keloid's.

- Two thicknesses covered 1 side 1mm and 2 mm.
- One thickness (2 mm) covered both sides.
- Size 15 x 20 cm

Ref.: GS-0003601 Covered one-side with cloth 1 mm thick

Ref.: GS-0003602 Covered one-side with cloth 2 mm thick

Ref.: GS-0003603 Covered both sides 2 mm thick

### DIGITAL GEL DOT FLAT ON ADHESIVE SHEET

Flat digital gel dots on a cut-out adhesive sheet. Used to relieve friction and re-distribute pressure to painful areas of the body. As the gel is elastic and soft it accommodates high pressure and friction areas perfectly.

This product can be incorporated into Orthotics.

Diameter of disc: 2.5 cm; 2 mm thick.

Ref.: GS-0004503 Gel Dot Flat on adhesive sheet ,  
1 sheet with 9 discs per bag

Ref.: GS-0004504 Digital Gel Dots Concave on adhesive sheet ,  
1 sheet with 9 discs per bag

### PURE GEL SQUARE

A pure gel square that can be cut to any shape and fixed with strapping material to protect areas of the body that require relief from friction and require the re-distribution of pressure.

This product can be sandwiched between two layers of material when producing Orthotics.

Gel 2 mm thick. 10 cm x 10 cm size

Ref.: GS-0004600 Pure Gel Square, 2 sheets per bag

## GEL SHEETS

### PURE GEL SQUARE - WITH ADHESIVE BACK

A Pure gel square fixed on a sheet of Moleskin with an adhesive. The square can be cut to any shape and used to protect areas of the body that require relief from friction and the re-distribution of pressure. The gel side of the square is placed onto the skin and the adhesive backing is used to adhere the sheet to footwear, orthotics, prosthesis etc.

Gel 2 mm thick, Sheet size: 10 cm x 10 cm

Ref.: GS-0004700 Gel Square /With adhesive back, 2 sheets per bag

## FULL INSOLE PROTECTORS

### GEL HALF SOCK (GEL COATING ON SOLE)

Elastic cotton half-sock, without stitching on the base, with a 3mm thick layer of gel on the sole area and heel, it cushions the foot against knocks, reduces pain and provides considerable comfort. Recommended for people with sole problems, geriatrics, diabetics, people with no plantar adiposity, etc. We recommend putting it over the sock.

Available in the following sizes

Ref.: GS-0005201B	S Women	1 pair per box
Ref.: GS-0005202B	M Women	1 pair per box
Ref.: GS-0005203B	L Women	1 pair per box
Ref.: GS-0005204B	S Men	1 pair per box
Ref.: GS-0005205B	M Men	1 pair per box

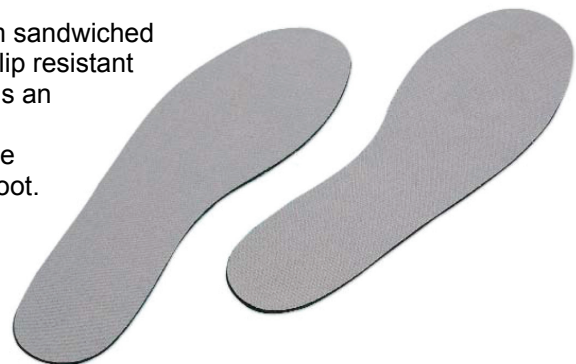

### GEL INSOLE

A sole of the foot protector consisting of a 2-2.5mm thick gel film sandwiched between fabric sheets. The base fabric is both non-stretch and slip resistant to avoid unnecessary movement within the shoe. The top cover is an elasticised and brushed fabric to provide maximum comfort. Main characteristics: At 3mm in depth the protector is unobtrusive and will attenuate foot pain during walking and callusing of the foot.

Available in 3 sizes.

Ref.: GS-0005301B	Small	1 pair per box
Ref.: GS-0005302B	Medium	1 pair per box
Ref.: GS-0005303B	Large	1 pair per box

## GEL SLEEVES

### ACHILLES PROTECTOR SLEEVE

A soft, cushioning therapeutic 3mm thick gel pad moulded in a toeless sock, cushions and protects the Achilles tendon by absorbing pressure and friction. Indicated to alleviate pain related Achilles tendonitis, bursitis, among other Achilles injuries. Protects the Achilles tendon from friction, sores and corns especially when wearing sportive boots. The pad in contact to the skin moisturises and softens dry or hard skin. Washable and reusable.

Two sizes.

Ref.: GS-0007601B      Small    1 per box

Ref.: GS-0007602B      Large    1 per box

### SHIN GEL PADDING SOCK

Elastic toeless sock with anatomic gel pad to protect the tibia area. The thickness of the pad helps to protect it from pressure, friction, and pinching in many kinds of sports. Especially indicated for ski and skate boots to use under the socks, the pad in contact to the skin or facing the sock. Washable and reusable.

Two sizes.

Ref.: GS-0007701B      Small    1 per box

Ref.: GS-0007702B      Large    1 per box

### SHIN AND ACHILLES GEL PADDING SLEEVE

Toeless sock with 2mm gel polymer soft cushion pads moulded at both sides, the tibia and Achilles, protecting them from abrasion, friction, and pinching when practicing sports. Specially indicated for ski and skate boots. Used under the socks, the pad either in contact to the skin or facing the sock. Washable and reusable.

Two sizes.

Ref.: GS-0007901B      Small    1 per box

Ref.: GS-0007902B      Large    1 per box

## GEL SLEEVES

### MALLEOLI PROTECTOR

Sleeve with 3mm gel polymer soft pads moulded at both sides of the anklebone protecting the malleoli from abrasion, friction, and preventing the formation of calluses and bed sores. Provides protection from leg splints, braces and footwear. Ideal when used with any sports boots. The pads are worn in contact with the skin and these slowly release medical mineral oil with moisturising effect. Washable and reusable.

Two sizes.

Ref.: GS-0007801B      Small    1 per box

Ref.: GS-0007802B      Large    1 per box

### HEEL SOFTENING GEL SLEEVE

Elastic toeless sock with anatomic gel pad to protect the tibia area. The thickness of the pad helps to protect it from pressure, friction, and pinching in many kinds of sports. Especially indicated for ski and skate boots to use under the socks, the pad in contact to the skin or facing the sock. Washable and reusable.

One size.

Ref.: GS-0008301B      One size      1 pair per box

### ACHILLES HEEL PROTECTION SLEEVE

- Ideal for relief from pump bumps (Haglund deformity) or sore, fatigued or injured Achilles tendon
- Soft, comfortable gel pad protects the posterior of the heel from friction while gently compressing and reducing pressure
- Washable and reusable
- Slim profile design fits in most footwear

Available in two sizes

Ref.: GS-1400M      Small/Medium    1 per pack

Ref.: GS-1401M      Large/X-Large    1 per pack
