(**) Available in full and half size

PEDORS VIENNA

These fashionable women's loafers offer a deep heel cup and tapered collar to reduce heel slippage. Elastic gussets allow the upper to expand. The shoes are made from soft nap leather and are ideal for working professionals looking for a stylish shoe with an orthopedic fit.

The Vienna offers relief from painful bunions and the medial and lateral panels stretch to accommodate sensitive feet.

(**) Available in full and half size

DIABETIC SHOES

PEDORS CLASSIC

The ORIGINAL Pedors Classic is also the original stretch shoe, often imitated, never copied. The Classic has had the benefit of many revisions over the years, following the advice of practitioners who have fitted it as an affordable alternative to a custom shoe.

Reference	Width	Color	Women's Sizes	Men's Sizes

(**) Available in full and half sizes

DIABETIC SHOES

PEDORS STRETCH WALKER

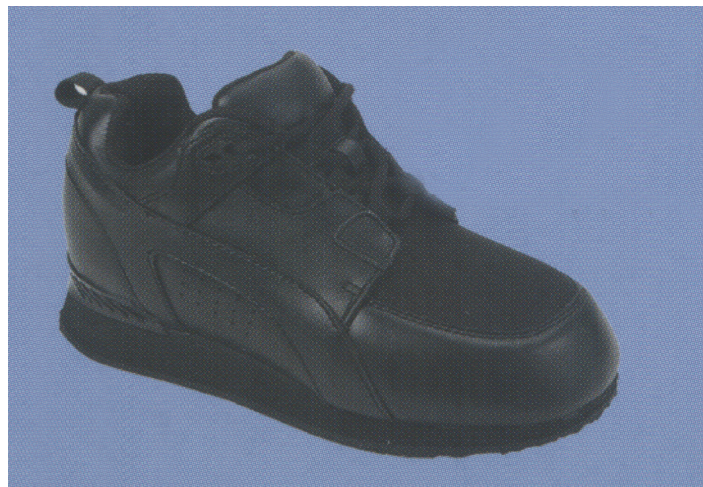

The Stretch Walker offers a seamless stretchable forefoot which allows for swelling and other ailments such as bunions, hammertoes, and joint pain associated with rheumatoid arthritis. The Stretch Walker is ideal for the diabetic walker or any active individual needing a roomy athletic shoe. The Stretch Walker has 3/8" additional depth with three removable inserts and is often fitted to patients with AFO's or other types of bracing.

Width	Black	White	Women's Sizes	Men's Sizes
Wide	PD-8002XXX	PD-8012XXX	5 - 15**	5 - 13**
X-Wide	PD-8003XXX	PD-8013XXX	5 - 15**	5 - 13**
XX-Wide	PD-8004XXX	PD-8014XXX	5 - 15**,16,17	5 - 13**, 14,15

PEDORS STRETCH WALKER LACE

The Stretch Walker Lace is a traditional alternative to the double touch closure system. The speed lacing provides a "glove like" fit and increases support around the ankle and arch.

Width	Black	White	Women's Sizes	Men's Sizes
Wide	PD-9002XXX	PD-9012XXX	5 - 15**	5 - 13**
X-Wide	PD-9003XXX	PD-9013XXX	5 - 15**	5 - 13**
XX-Wide	PD-9004XXX	PD-9014XXX	5 - 15**,16,17	5 - 13**, 14,15

(*) To order, please replace the "XXX" with the size such as in:
